

Creating a Magazine Cover

Steps in class

1. Write you person's name here: _____
 - **Make sure you have correct spelling!**
 2. Write a short fact about your person on the line below.
 - **Make sure you have correct spelling!**
-

Getting a picture in the lab

1. Search your person in Google and select the Images option
 - **You will only have five minutes to select your person**
2. Save your picture to the desktop
 - **Label the picture with your person's name so it is easy to find.**

Creating your magazine cover

1. Go to the website <http://bighugelabs.com/magazine.php>
2. Upload your picture
3. Write your person's name in the space labeled "Magazine Title"
4. Write your fact in the space labeled "Tag Line"
5. You can add a second fact in lines sixteen or seventeen
6. Add a price of your choice in the correct space
7. Add a publication date. Date of History Fair: _____

Printing your magazine cover

1. Scroll all the way to the bottom and click the button that says **Create**
2. Raise your hand for approval from the teacher **before** you print
3. If you need to edit it click the "Edit" button and make the changes the teacher asked of you and repeat step 2 above.
4. When approved for printing click the "Download" button
5. Open the file and print it to the library printer.
